MEMBERSHIP 2019

The Resource Centre is pleased to announce the launch of **Volunteer Sunshine Coast**, a new coast-wide program that will help build capacity and sustainability of not-for-profit organizations and social enterprises and support the ever-growing demand for skilled knowledge volunteers.

**with annual membership—see back for details*

The re-envisioning and building of this new program over the past year was made possible through one-time grants from the Sunshine Coast Community Foundation, District of Sechelt, and New Horizons for Seniors Program.

In order for us to continue to grow and sustain Volunteer Sunshine Coast in 2019 and beyond we are looking to you to be a founding member for this vibrant new program.

Thank you for playing such a vital role in building a stronger economy and creating a stronger sense of belonging in our communities.
